Fact Sheet – Entertainment at the Riverside Inn Restaurant & Lounge
Entertainment booked after August 2010

Bookings:

We typically only book entertainment on Thursday nights. Solo or duo only. Solo is preferred due to space limitations.
During the summer months July through mid Sept we can have a small band outside.

Venue:

- * RHSI is a fine dining restaurant & lounge. All ages' welcome. Music must be soft and suitable for a nice dinner venue.
- * RHSI is a non-smoking venue.
- * The Restaurant & Lounge are in the lower level of a historic Inn.
- * The pub area is roughly 17 feet wide by about 31 feet deep with approximately 22 seats.
- * We also have an outdoor area next to the restaurant and by the river for customers in the summer months, where we have outside dining and the Thursday night music is played. There is no indoor music during the summer months.

Sound System: We do not at this time have a sound system and typically is not required for dinner music.

Musicians may provide their own sound system and/or components to augment the house sound system if they wish.

Set Length:

- * Thursday dinner music entertainment in the restaurant goes from 5:30 to 7:00 and again from 7:15 to 9:00pm. We try to structure the dinner session so that it is in 2 sets.
- * One 15 min break from around 7:00pm to 7:15 pm.
- * **Note: Our kitchen closes at 9pm (historically many people leave after the first set... holding the crowd over break can be a challenge... make sure that either you stream music during your break or we do, or your crowd will most likely leave).**

Compensation:

- We pay the following scale for the number of musicians confirmed in advance (no additional compensation for stand-in musicians or sound techs).
 - Solo act - \$100
 - Duo act - \$200

* Smaller acts with solid solo, duo, or smaller bands are best suited for our venue and are given preference for booking.

- Performers will also get a 20% band discount on food, beverages purchased the night of their performance.
- You are welcome to sell CD's and other merchandise, as well as put out a tip jar!
- We do have an 18-room Inn and can provide lodging in lieu or combination of payment.

Promotion:

- We promote our entertainment 3-6 weeks in advance of a show in-house with a three-week running calendar of who is playing.
- We send out a quarterly newsletter have a very large email newsletter promoting our entertainers.
- Our entertainment calendar is sent to all local media two weeks in advance of all shows and is featured in many of the calendar of events.

Cancellations:

Obviously we prefer to have no cancellations, but realize that sometimes they are inevitable. Given the effort that we go to in order to promote our entertainers with the local media, if a cancellation is necessary we would ask that we be notified at least 2-3 weeks before the show is booked.
